INDIGENOUS BUSINESS DEVELOPMENT

Verve provides Economic Development and Business Support to indigenous businesses through the Department of Employment Education and Workplace Relations (DEEWR) panel and Indigenous Business Australia (IBA). We work with individuals, businesses and organisations in remote, regional and urban locations.

Our consultancies and clients include:

Feasibility and Business Plan - Yunyarinyi Road Maintenance and Musgrave Pastoral Company

Feasibility - Indigenous art hire business

Business Plan and Mentoring support- Detect SA, an underground utilities, cable and line locator

Business Scoping Study - Oodnadatta Hotel and Store

Business Plan and Mentoring - Pt Victoria Fishing Charters (SA)

Business Review - Dreamtime Logistics, a Townsville charter flight corporation

Business Plan - Yuendumu Mining Corporation to provide aggregate road base for road construction. Went on to win a million dollar tender (NT)

Business Review - Hermmansburg Historic Precinct (NT)

Business Review and mentoring - Bottrell Family for an Australia Post licence

CDEP Asset evaluation - for Tangentyere, Arrente and Ingkerreke Aboriginal Corporations

Scoping report - North Barkly Indigenous Development Trust on partnership arrangement with NT government for partnership arrangement for management of Government housing.
