

## WELCOME TO VRETURNS

The easiest way to complete your individual tax return if you don't live locally or are simply too busy to make your way into our office.

VReturns has been designed by Verve Group for those people who have a relatively simple tax situation. Not sure if VReturns is right for you? No worries, call our office before you begin on 08 8120 4877 to see if VReturns is right for you.

To lodge a VReturn:

1. Fill out this PDF document with your correct details. If you don't have a program to view PDFs, you can just print out the full document and fill out the hard copy.
2. When completed, save the completed document to your computer (or scan and save if you've filled it out as a hard copy).
3. Go to our secure upload by following this <http://bit.ly/2xwE4Fq> and upload the completed document along with all the required supporting documentation.
4. Click 'Submit' and voila! You're done!

Once completed and submitted, our expert accountants will then set to work on achieving your maximum return possible. Of course, if you have any questions you are more than welcome to contact our office at any time. Once we've completed the work, we'll then organise to mail or e-sign the Electronic Lodgement Declaration which is all the confirmation required.
